

SKELLIG.AI

Intel's Partner for Deep Learning Training

To date we have trained
100+ Movidius Engineers
Totalling
> 1,600 personal hours

Training teams across:

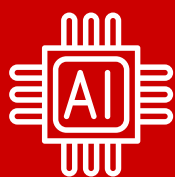

1. Timisoara, Romania
2. Leixlip, Ireland
3. Santa Clara, CA

Practical Introduction to AI

No Hassle Labs

Hands-on OpenVINO Tutorial

Reviews:

"The instructor was very approachable and promoted active discussion which made the course enjoyable and engaging."

"I enjoyed the step through process of the lab projects with detailed descriptions to go with each project."

"I had the basic theory before but I understood it on a more practical level after this."
